

## Year 11 - Grades awarded by Ofqual

On 20 August 2020, schools will release to students the grades awarded by Ofqual for all GCSE and BTEC courses. In the interests of safety, to prevent large gatherings and maintain social distancing, we have made the difficult decision to issue these grades remotely using Google email accounts. Students will be sent their grades at 8 am via their student Google email account.

To ensure that all students can access their Google email account we have reset all the login details for Year 11. Please can all students make sure that they log into their G Suite account by **31 July 2020** and if you change the password please make sure you keep a record of what you have changed it to. Please see below your student email and password.

As such, you will still be able to access all of the curriculum resources provided by your subjects should you wish to do so over the next few months.
