Dear Parent/Carer

What a wonderful week I've had in my first week as Principal of Outwood Grange Academy. I have had the warmest of welcomes from both students, staff and visitors from the local community.

This week I have spent time walking the Academy, getting to know the different year groups and building relationships with both students and staff. I have seen some excellent practice and focussed work. As a new Principal I will continue to raise standards and ensure students continue to be challenged to be the best they can be.

Over the coming weeks, I look forward to meeting the Student Council, Post 16 students and hearing about their future aspirations and building strong links with our local community.

At the end of every week, I will communicate with parents and carers to update on the fabulous work our students and staff are engaging in and look forward to the week ahead, highlighting any events, activities and opportunities for our students.

Please find [here](#) the Principal's virtual weekly bulletin.

Yours faithfully

Sheriden Hutchinson-Jones
