Dear Parent/Carer and student,

As outlined through the Guided Pathways process, all students will continue to study the EBacc subjects of History, Geography and Languages in Year 9.

As students are currently studying 2 languages in Year 8, we want to give them a choice of which language they wish to continue to study in Year 9.

Students can choose to study the following pathways:

- Choose one of the languages they are currently learning to study for 2 hours per week in Year 9
- Continue with both languages in Year 9
- Request to start a new language in Year 9 not currently studied*

**Requests will be reviewed by the Languages team as this will not be suitable for all students.*

This process is not part of the Guided Pathways process already completed. It is purely to give students a choice of which language to continue to study in Year 9 only.

(If a student is only currently studying one language due to their extra literacy classes, they will continue with this language in Year 9)

Please ask your child to complete the Google Form to enter their choices. This will also be emailed to their student email accounts. Students need to be logged on to their student Google accounts to complete the form.

Choices need to be completed by **Friday 30th April**

Yours faithfully

Mr Larder
Vice Principal
