

## OGA Press Release 2018

Outwood Grange Academy students have achieved amazing results yet again! Students at the academy achieved a phenomenal 91% 4+ in English, 87% 4+ in Maths with a combined result of 85% of students achieving grades 4+ in English and Maths. Mrs Colledge-Smith, Associate Principal stated, “we are delighted with the results, students have been encouraged all year to #dowell and their hard work and determination has been rewarded. It is down to the hard work and support of the young people and the team around them that they have achieved such well deserved results.”

Sabiha Laher Associate Executive Principal stated “I am so proud of the students; their hard work and positive attitude has paid off. I would like to thank the Associate Principal Michelle Colledge-Smith, the staff, parents/carers, the Governors and the Trust Board for their continued support throughout the year.”

We are immensely proud of all our students and wish them every success in their future.

We would especially like to commend Amina Ajaj who achieved 3 A\* and 8 grade 9s, Aaron Huxley who achieved 5 A\*s and 6 9s. Other notable performances were from Jacob Mohebi, Tolly Hartley, Matthew Barker, to name but a few. We are overjoyed to report that 28 students achieved the top grade 9 in English. 5 students achieved a 9 in both English Language and English Literature and 18 achieved a 9 in Maths which is truly inspirational.
