

The **‘Remote Learning Timetable’** for Outwood Grange Academy students follows their normal school timetable. This is to help them manage their workload and the expectations for completing tasks.

Lessons will finish no later than 5 minutes before the next period start time; this is to allow students the chance to get a comfort break and reset before their next lesson begins.

There are 3 types of learning formats that a teacher will use as part of the remote learning programme: live lessons; pre-recorded lessons or Google Classroom activities.

Live lessons

Live lessons are coded red **Live** or Live TA - coded pink **Live/TA**

A live lesson will be accessed via a Google Meet code posted in the classroom. Students log on and will be taught 'live' by their teacher. Students who normally have a teaching assistant (TA) as part of their support will continue to access this via their Google classroom during the lesson.

Identified as a document not to be distributed without the written permission of OGAT

Pre-recorded lessons

Pre-recorded lessons are coded yellow/beige **REC** on the timetable.

This is a lesson that the teacher has recorded in advance and has set tasks via instructions in the Google Classroom stream.

Students who normally access TA support will continue to receive this through the Google Classroom.

Confidential - do not duplicate or distribute without the written permission of OGAT

Google Classroom

Google Classroom lessons are coded blue **GC** on the timetable.

This is a lesson where the teacher has posted tasks and activities via instructions in the Google Classroom stream. It is most likely to include links to sites such as Hegarty Maths, GCSE pod, Outwood YouTube Science, Oak Academy learning or other education websites.

Students who normally access TA support will continue to receive this through the Google Classroom.

Confidential - do not duplicate or distribute without the written permission of OGAT

Timings of the Day

Year 7, Year 9 & Year 11

It is important students follow the timing of the day to help them to manage their work and expectations from staff.
